From The Post Commander

I just want to take this opportunity to remind everyone of the various VFW contests that are out there. Many of these opportunities have a short suspense, so we must act quickly. Please feel free to contact me if you are interested in participating in any of the following;

- Patriots Pen
- Perpetual Scholarship Donation
- PA Voice of Democracy
- Voice of Democracy Teacher of the Year
- National Scholarships

There are scholarships available for Veterans of Service in Iraq and Afghanistan. The Fund for Veterans' Education was established to provide scholarships to veterans from all branches of the United States Armed Forces who served in Afghanistan or Iraq since September 11, 2001 and who are now enrolled in college or vocational-technical school. Currently, the maximum educational benefit available to veterans who served in Iraq or Afghanistan is \$1,101 per month. Those veterans who served combat tours with the National Guard or Reserves are eligible for up to \$440 per month.

It's time to pay your yearly dues or better yet, go for Life Membership. It is a better deal in the long run.

We encourage everyone to attend the Post meetings. Having good attendance at our meetings is important, and we should make an effort to increase our attendance at each meeting. By attending, you show that you care about your fellow comrades and you are not just another name on our roster. Please let us know if we can make attending the monthly meetings a more appealing and rewarding experience.

I've been out of town recently with back-to-back Annual Training tours with my Army Reserve unit. However, I plan on being home for a while and look forward to seeing all of you soon at our various upcoming events.

Paul Dougherty Commander

CHAPLAINS CORNER:

Greetings from the Post
Chaplain

WHAT IS A VETERAN ?

A "VETERAN" - whether active duty, discharged, retired or reserved- is someone who, at one point in his life, wrote a blank check made payable to "The United States of America," for the amount of "up to , and including his life." That is honor, and there are way to many people in this country, who no longer understand that fact.

Remember to keep all of our armed forces in your prayers and those here at our post.

Marvin Walton Chaplain

Dear Fellow Post Members and Community Friends:

Many, many , thanks to everyone who helped in the preparation and undertaking of the Bravo Co. Family Picnic.

Miguel and Susan Hernandez did a terrific job organizing and working out the details of the event. Mike & Debbie Wealer were so helpful, too, but also outstanding was the input and co-operation of so many individuals. We are so good and successful when **we work together!!**

Please everyone, take the time to give yourselves a pat on the back—you deserve it! The result of your efforts was a very happy and fun filled day for Bravo Co. and their families.

God Bless each one of them and each one of you!

Where has the summer gone? The days seem to fly by to fast anymore. The dinner cruise went well and a great time was had by all those who attended. While on the bus it was mentioned that we should plan a Casino bus trip checking into it now. If your interested give me a call so I can get an idea of how many to plan for.

Looking at our Auxiliary membership we have a member who has the distinction of being our longest running member. That lady is Sister Jeanette Beam who has been a member since 1955 to the present. Jeanette we thank you for all those years of help and dedication.

Motorcycle Ride a Success !!

On August 3, VFW 845 held a motorcycle ride that began and ended at the VFW. The idea for a motorcycle ride was spawned from Tom Miller. After hearing that the post was hosting Bravo Company's family picnic, Tom volunteered to organize a ride and raise money for the picnic. "He took three weeks to set up and prepare for the ride." Nothing like working under pressure. "It was better than we expected and look forward to doing it again next year." Hot dogs, hamburgers, salads and baked beans were ready at the VFW some of which was prepared in the kitchen. Our thanks to Clyde and Jerry for cooking at yet another function. In conjunction with the ride, a 50/50 raffle was held to raise funds to support the picnic. The winner of the 50/50 Mary Rice returned her winnings to support the cause.

**Runners Up!! Carl & Marty Beam
September 8th 1956 52 years**

One of the favorite mementos from the ride was that each rider received a yellow ribbon to place on their motorcycle.

Tom and his wife Kim, want to thank everyone that helped in the preparation, the advertising, gathering donations and helping on the day of this event.
